

Information about End-of-Program Assessment As Graduation Requirement

AA, AS, AFA, AES, AGE degrees

- All students graduating with the AA, AS, AFA, AES, or AGE degree are required to take the General Education Assessment exit test* as a graduation requirement.

AAS degrees

- Students graduating with an AAS degree are required to take the General Education Assessment exit test* as a graduation requirement. Exceptions are attached to this page.

Certificates of 30 credits or more

- Certificates of 30 credits or more will require specific WorkKeys exit assessment tests as a graduation requirement. Exceptions are attached to this page.

Certificates from 1 to 29 credits

- No exit testing

Taking the tests:

- The General Education Assessment exit test is available in the Testing Center during regular hours. *The CAAP, from ACT, will be the test instrument used beginning with December 2006 graduation.
- WorkKeys tests are available **by appointment** in the Testing Center; students must contact the Office of Workforce Services, at (815) 455-8598, to set up a user name and password prior to testing.

Other Information:

- Students should test during their **final** semester of program completion.
- The Graduation Office will notify graduation applicants who have not met the new exit assessment requirement.
- **Which requirement is for which program?** Please refer to attached assessment list or run an individual Degree Audit to see if it displays a warning about such deficiency.
- There is no cost to the student for these tests.
