

Curriculum and Academic Policy Council
Technology (TECH) Standing Committee
End of the Year Standing Committee Report
FY 2009

The following report is respectfully submitted by the AT Standing Committee to the CAPC council on this day.

<p><i>Accomplishments...</i></p>	<p>Enter the List of accomplishments that your standing committee can attest to...</p> <p>Student EMAIL:</p> <ul style="list-style-type: none"> • Discussed student emails; outsourcing is a valid option. • Many students could purchase software with dramatic discounts if they have a (.edu) email address. An alternative was found as a way for students to receive special student software discounts without a (.edu) email address. {This alternative has been tried but does not seem to have resolved the issue } • There has been a student survey to review student interest in mchenry.edu email addresses. • If student population does not provide adequate numbers of email addresses during registration, the College could provide en masse email for all students. • Alumni email is an option and is being explored with the Foundation. <p>Excessive student printing in labs monitored, discussed, and addressed.</p> <ul style="list-style-type: none"> • Faculty ANGEL training now includes formatting of PowerPoint presentations to handout layout for student printing. • Researched possible options for fee-based printing or setting print limits before charges are incurred. <p>Improved communications with IT department.</p> <ul style="list-style-type: none"> • IT personnel attend and participate in CAPC Technology Committee meetings. • Implementation of Cymphonics hardware for monitoring Internet usage explored and presented to interested faculty. Testing is now being conducted. <p>Discussed ANGEL usage issues, including storage usage, file formats, links, etc.</p> <ul style="list-style-type: none"> • Discussed and rejected other OS (Vista) for general use.
<p><i>Next Year's Goals...</i></p>	<p>Enter any outstanding items or issues that have been started, been on the agenda, or meant to be completed but haven't been. Also list items that this committee would like to accomplish as part of next year's agenda...</p> <ul style="list-style-type: none"> • Review ERP communication plan (email use) to see if it meets the comprehensive needs of the College. • Explore grant opportunities for technology. • Continue communications within the college community concerning technology issues. • Review ANGEL 7.3 upgrade.
<p><i>Notes and Miscellaneous Items...</i></p>	<p>Enter any notes or miscellaneous information that the incoming committee may need in order to proceed in the Fall of next year...</p>
