THE FOLLOWING ARE IMPORTANT FACTS ABOUT THIS SCHEDULE *This is a generic schedule and occasionally special circumstances may arise which necessitate changes (for example, conflicts due to room scheduling). In such cases, instructors will announce the appropriate changes after consulting with the Office of Academic and Student Affairs. Students having more than three finals in one day are encouraged to consult with their instructors to work out scheduling arrangements. Students, if a final exam time does not appear on this schedule, consult with your instructor.

Due to the College closing on any day during Final Exam Week, final exams scheduled for that day will be held according to the same schedule and in the same location on the Friday of Finals Week.
