

Rockford College/PLS Graduate Credit Courses

Offered at McHenry County College Summer, 2009

Teaching Through Learning Channels® *EDUC 582*

Explore learning style preferences and develop brain-compatible strategies to address them through multisensory teaching. Discover how to address students' basic motivational needs in a learning environment incorporating a variety of brain compatible techniques.

Understand basic student needs

- Learn the five needs students have.
- Identify how these needs are met in your classroom and in your school.
- Design lessons to meet all five needs.

Discover the excitement of multisensory teaching

- Experience hands-on activities that awaken and stimulate your senses.
- Participate in dynamic lessons that address all sensory preferences.
- Design multisensory lessons you can use immediately with your students.

Learn how to teach for concept mastery

- Explore the five channels of the natural learning process.
- Design lessons that apply these steps.
